This is the Truth of the Matter!

A person thinks nothing of purchasing a fine garment or fur coat to cost from sixty-five to one hundred dollars, but when it comes to selecting a Chamber Suit for the best room in their home it is quite a different proposition. Almost anything will do as long as it costs little and has a certain amount of show to it. It is our duty to offer you suggestions, to show you better things, to get you out of this bad way of doing.

We shall endeavor to give you from time to time, in our show window, ideas as to furnishing the different rooms in the home. We sincerely hope they will be a help to you.

For a few days we are showing a bedroom furnished in mahogany. It contains a Dresser, Commode, Bedstead, Stand, two Sitting Rockers, a Desk and Desk Chair, a Brass Costumer, Rugs, Portieres and Laces. You would be surprised at the little this outfit costs, and yet it has a richness that cannot be surpassed in furniture. Ask us questions about this window.

INSTANTLY KILLED.

Famous Bicyclist and Automobilist, Tom Cooper, the Victim.

New York, Nov. 20.—"Tom" Cooper of Detroit, well known as bicyclist and automobilist, was instantly killed in an automobile accident in Central Park late last night. Three companions were seriously injured, one probably fatally.

The four were riding in Cooper's automobile when the machine collided with another machine on the drive. Cooper was hurled twenty feet and struck on his head. He was lifeless when picked up. A man named Barclay, said to be a cotton broker living at Paterson, N. J., also was thrown out and sustained a fractured skull. At the hospital last night it was said he would probably die.

Miss Virginia Vernon of Jersey City, and Miss Helen Hall of this city, the other occupants, suffered severe injuries. All were removed to a hospital. The occupants of the car with which Cooper's machine collided were arrested.

THREW BABY OVERBOARD.

Crazed Governess on a Steamer Took an Infant's Life.

New York, Nov. 20.—On the arrival here yesterday of the steamship New Amsterdam of the Holland-American line from Amsterdam and Boulogne, it was reported that while the vessel was in mid-ocean on Thursday, Rosa Nagle, a Swiss governess, in a fit of temporary insanity, grasped a baby from a crowd of children at play on the deck and threw it overboard. Only prompt action prevented other passengers led by the mother of the child, from inflicting serious injury upon the crazed governess. The steamer was stopped and an unsuccessful search was made for the infant's body. Miss Nagle was locked up in the ship's hospital. The mother of the child, Mrs. Gutowski, who with her three children was on her way from Russia to join her husband in Fargo, N. D., was prostrated.
